Projects

YouTube Trending Videos Analysis (EDA | *Python, Pandas, Power BI* **Oct 2025 - Dec 2025**

- Cleaned and preprocessed large-scale datasets by handling missing values and duplicates, improving data quality.
- Performed EDA to uncover key insights like strong likes–views correlation and optimal upload timing.
- Built interactive visualizations and dashboards to analyze trends in engagement, categories, and sentiment.
- Repository Link: **https://github.com/Rakshanda-05/YouTube-Trending-Videos-Analysis-EDA-**

URL Shortener System | *Python, HTML/CSS/JavaScript, JSON, Postman* **Jun 2025 - Jul 2023**

- Built a full-stack web application with focus on backend REST API development and seamless frontend integration.
- Conducted API testing using Postman to validate request–response behavior and ensure proper functionality.
- Designed and executed test cases (positive, negative, and edge cases) to verify HTTP status codes, error handling, and over all API reliability.
- Repository Link: **https://github.com/Rakshanda-05/Summer-Training-Project**

Training

Logic Building, Programming and Data Structures | *C++* and Data Structures and Algorithms **Jun 2025 - Jul 2025**

JP Morgan Chase & Co.

- Built a strong foundation in C++ and OOP by designing and optimizing core data structures.
- Implemented algorithms (sorting, searching, traversals) to solve complex programming tasks.
- Developed a URL-shortening website as part of a project.

Certificates / Certifications

Logic Building, Programming and Data Structures (LPU **Jul 2025**
Backend Web Development (DevTown) **Mar 2024**
Responsive Web Design Developer (freeCodeCamp) **Oct 2023**

Skills

Languages: **Python, Java, MySQL, HTML, CSS, C++**

Tools/Platforms: **Git & Github, SDLC, STLC, Power BI, Tableau, Google Colab, Jupyter Notebook**

Soft Skills: **Logical Thinking, Problem Solving, Decision Making, Time Management**

Education

Lovely Professional University **2023 – Present**
Bachelor of Technology - Computer Science and Engineering — CGPA: 7.23 *Phagwara, Punjab*

Jijamata Junior College **2022 – 2023**
Intermediate — *Percentage: 63.6%* *Wardha, Maharashtra*

Agragami Convent School **2020 – 2021**
Matriculation — *Percentage: 82%* *Wardha, Maharashtra*
